Teams, and Procurement**

Oct 5, 2018

Aneta Koseva

has successfully completed the online Specialization

Engineering Project Management

This Specialization provides the tools to more effectively and successfully manage projects; to give you a solid foundation of knowledge, skills, and confidence that sets you apart and gives you a competitive edge as you move toward leadership positions. It is an introduction to Project Management and is targeted for engineers who are interested in improving their project management skills in a new leadership position or in advance of their first leadership position. (Course Numbers: IP-2017, SCTM-2017, PRQT-2017 | Professional Development Units: 38 | R.E.P Number 4528)

Tom Phalen
