Margaux Madeleine Hamre

has successfully completed the online, non-credit Specialization

The Integration of Art and Science in Modern Dental Medicine

In this Specialization, learners developed a deeper understanding of dental medicine and dental education, oral health and its connection to systemic health, and modern advancements in dentistry and dental technologies. Learners submitted several quizzes throughout the Specialization to apply their new knowledge.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
