Google Prompting Essentials

Those who earn the Google Prompting Essentials Certificate have completed four courses, developed by Google, featuring hands-on practice designed to build AI prompting skills. They are competent in designing effective prompts and applying advanced prompting techniques to complete complex tasks, analyze data, and summarize information.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
